LETTERMAN JACKET SIZING GUIDE

- 1) If you are a Freshman or Sophomore, please consider sizing up one size, as you will most likely grow.
- 2) The best way to determine your size is to try on a jacket from a fellow student. If that is not an option, please see sizing method below.
- 3) Letterman jackets were designed to fit slightly bulky and oversized. What you wear underneath the jacket could alter the way it fits.
- 4) Our jackets are unisex and we are able to alter the sleeve and body lengths if needed.
- 5) Please note that if you have a larger measurement in one column (i.e. chest) of the sizing chart, but have a smaller measurement in a different column (i.e. sleeve), please determine your size as close as possible according to your unisex sweatshirt size.
